### 19/33 **Hertfordshire Aquatics Group** 19/33.1 BT gave an update on the project. There is a meeting scheduled for 9.5.19, and BT said that monthly meetings were now expected. 19/33.2 Keith Ashton, Swim England, continues to be in discussions with Swim England and Sport England. 19/33.3 Initial plans have been revised because of likely funding which could be received. Consideration is being given to the building having a more 'temporary' structure maybe, rather like the Millennium dome. The use of pre-fabricated building is also being considered, whilst endeavouring to make the building acceptably attractive. The height limitation will mean that full set of diving boards would not be feasible, and the current view is that diving boards will not be included in the plan. Land-training facilities are being considered. The number of lanes and the length of the pool, as well as its depth are being carefully considered to ensure that the pool is of maximum use to the various disciplines - for example, having a fixed 3m depth in the main pool and a movable floor in a small pool. 19/33.4 Hertfordshire Aquatics is now a registered charity. 19/33.5 In future there is to be a specific website tab for Hertfordshire Aquatics. 19/34 Website 19/34.1 The difficulty of not being able to upload to the website was noted.
