

Water Polo Report – October 2017

There was a meeting of the water polo committee on 8/9/17.

The main focus was on how we can better perform in Herts. Unfortunately Bishop Stortford have closed, Hitchin are struggling for seniors, and Hatfield have no juniors. We are looking how we can better use our resources amongst the three surviving clubs - pool time, coaches and players.

Both leagues are continuing although Bedford and Northampton B are struggling to keep up with fixtures

We do also need to build up a new committee as it currently consists of the HASA Water Polo Manager, Jon Lowy, Pete Mole and Edna Scott (Bishop Stortford now closed though).

The Herts and District up tournament was won by Northampton, with the other participating teams being Hatfield, Dunstable, Hertford and Milton Keynes. A junior and girls game also took place so around 90 players in total took part.

Hertford, Hatfield and Bishop Stortford are entering a 2003 and younger tournament on 8.10.17.

Watford continue to forge ahead, with well over 100 polo players competing at all levels, with their first team now in BWPL National 2.

Jon Lowy

Hertfordshire ASA Water Polo Manager
