

## **Swim England Hertfordshire Management Board**

Members of the Swim England Hertfordshire Management Board must be Swim England members of a Swim England Hertfordshire club, but no particular skill or knowledge is required, only a desire to contribute impartially to the decision-making in the county for the benefit of our athletes in all the aquatic disciplines.

There are only four meetings per year at the moment, plus the Annual Council Meeting. The requirement of members is attendance at those meetings, having read the paperwork circulated prior to the meeting. Items are discussed and decisions made, as well as monitoring the work of the discipline committees. The meetings are held on a weekday evening, at Welwyn at 8pm and last, at maximum, for two hours, as the room hire is until 10pm.

There is no requirement for additional time or input, only if an individual wishes to expand their commitment.

At this year's Annual Council Meeting there are five positions are due for election to serve on the Management Board, and nominations would be very welcomed from younger Swim England members. Any Swim England member, aged 18yrs or over, can serve on the Management Board.

It would be excellent if the full membership of fifteen could be achieved this year. Can you offer to become a Management Board Member?

Nominations forms can be downloaded [here](#)

## **Swim England Hertfordshire Managers**

There are five posts which are due to be elected at this year's Annual Council Meeting scheduled for 1<sup>st</sup> July 2020.

These are – Finance Officer, Club Development Group Manager, Diving Manager, Swimming Manager and Water Polo Manager.

The Finance Officer oversees the county's finances, and the Club Development Group (CDG) Manager co-ordinates the development of the county's members through the CDG committee.

Managers of Diving, Swimming and Water Polo have responsibility for the co-ordination of the development of those disciplines and the delivery of events, working with members of those discipline committees.

If you feel you could assist the county by fulfilling any of these roles, please submit a nomination form. Applicants must be Swim England members of a Swim England Hertfordshire club.
